## **One Church Street Leaps Forward this February**

One of the driving forces behind One Church Street is to make the NOAH weekly meal accessible to all. OCS experienced a huge leap forward in achieving that goal - the elevator arrived! The elevator is key in serving all of those who need it by enabling our NOAH guests to safely and easily reach the dining room. One NOAH guest made a donation to OCS this month as some of his friends can't come to NOAH because they have disabilities and he wants to make sure everybody can share this meal. How amazing is that!

### **February 26 - The Elevator Arrives!**

---

**February 17 – Alistair visited One Church Street and found that the wood that was delivered the day before was being used to cover over the pool! Why do we need that? Because**

**electrical elements need to be installed in that area, and techs need to be able to access the wiring and components that will be placed in that room.**

---

**February 15 – A lot of activity yesterday at One Church Street! Huge pieces of wood delivered and brought into the building to build access decking for continued installation of safety items like the sprinkler system. We can't wait!!!**

---

**February 10 – Brunch for our Food Pantry volunteers, sharing food and ideas about our new space at One Church Street. And of course a tour of the new space!!**

---

**February 6 – We love giving tours of One Church Street and we were privileged to give St. John's EC Treasurer, Billy Easterly, a tour of the whole building – basement to third floor!**

**\$100,000**  
Matching Challenge  
*in honor of Dee and Dick Brown*

help us make the leap to move into ocs

The graphic features a dark blue, starry space background. On the left, an astronaut in a silver suit floats with arms outstretched. In the center, a wooden door with a glass window is shown. On the bottom left, there is a large green number '1' containing a circular logo for 'ONE CHURCH STREET' with a church building illustration and the text 'Honoring Our Community'. The text 'help us make the leap to move into ocs' is at the bottom.

**A \$100,000 challenge is being offered by the Brown Family in honor of Dee and Dick Brown to help us leap into our move to One Church Street!**

2024 is a Leap Year and on this extra day we've been given this extra special challenge. Will you take up the challenge? Help us raise \$100,000 by Mother's Day (May 12) and the Brown Family will match it for a total of \$200,000! Let's get those doors open at One Church

Street.
